Today's message:

Making Christ the Focus of your Life

by Errol Wagner

Reading: Philippians 3:1-12

Outline:

What does it mean to make Christ the focus of your life?

1. When you make Christ the focus of your life, you count everything loss compared to Jesus Christ, specifically compared to the excellence of knowing Christ [vs 7/8].
2. Then you understand that your sufficiency is in Him alone [v8b].
3. And for that reason, you rest in his righteousness, which you receive by faith in Jesus Christ [vs 9/10].
4. Finally, you understand that suffering is the way of becoming like Christ, who is the focus of your life [vs10b/11].

May God use this message to challenge and encourage us to live Christ focused and God glorifying lives.
